

2018 Unión Latina de Hemofilia

Saturday, July 28, 2018 – Sunday, July 29 2018
Hawthorne Inn & Conference Center
420 High Street SW
Winston-Salem, NC 27101

Hemophilia of North Carolina (HNC) invites you to the First Annual Unión Latina Retreat. We invite members of the Spanish speaking bleeding disorders community in North Carolina to join us for a weekend of education, camaraderie, and fun, presented entirely in Spanish. Childcare will be provided for all children 12 and under. We encourage teens to join their parents or buddy-up with a younger member of the community.

Accommodation on Saturday night and meals including lunch and dinner on Saturday, and breakfast and lunch on Sunday will be provided at no cost to HNC member families thanks to the generous support of our donors and supporters. Travel assistance will also be provided. Transportation will be available by a chartered bus that will depart Greenville, NC at 5:45am with a stop at the HNC Office in Morrisville, NC before heading to Winston-Salem at 10:00am. For those who would prefer to drive or are not on the route, gas cards will be provided to help assist with the cost of traveling to the event. Please indicate on your registration if you will need a gas card or bus transportation. If you need travel assistance, but the bus will not be stopping in your area, please contact us so we can help to make arrangements for you to attend.

Programs will begin at 11:00am on Saturday will conclude on Sunday afternoon.

We encourage all HNC members who are native Spanish speakers to attend this event. It will provide an opportunity to get to know other Spanish speaking HNC members in a supportive environment. Programming will be provided completely in Spanish, presented by qualified educators in the community who are fluent in Spanish.

Registration is required by Tuesday, July 3, 2018. You may register on our website (preferred) or by emailing Gillian Schultz, HNC Program Manager at events@hemophilia-nc.org, calling 855-462-5286, or texting Gillian at 919-272-6000.
