A proud member of

Dear Friends of the Community,

Hemophilia of North Carolina is a non-profit organization dedicated to improving the lives of individuals affected by bleeding disorders. North Carolina has been a leader in this national program, which is a collaborative effort with the National Hemophilia Foundation (NHF). For sixty years, NHF continues to be a vital resource for prevention education and provides a network of support for the estimated 3 million Americans living with bleeding disorders and their families. The annual Hemophilia Walk is by far the largest event hosted both Hemophilia of North Carolina and NHF. Proceeds from this event go towards finding better treatments and cures for bleeding and clotting disorders, and to prevent the complications of these disorders through awareness, education, advocacy and research. The fifth annual Walk will take place at Lake Crabtree County Park in Morrisville on October 20, 2012

Hemophilia of North Carolina has been assisting the bleeding disorders community in the state for over 35 years. Our vision is for all persons affected by bleeding disorders to achieve their full potential without barriers or limitations, until a cure is found. We offer many programs and services to the community and encourage you to visit the web site at [www.hemophilia-nc.org](http://www.hemophilia-nc.org) to learn more about the organization and how your support helps the local community. Eighty-Eight and a half cents out of every dollar goes to expenditures directly supporting local programs, so your investment in HNC significantly improves your community!

Planning has already begun to make the North Carolina Hemophilia Walk 2012 an even greater success for our community. Our goal this year is to reach \$80,000 but we cannot do it without your support! Please partner with us and support the 2012 Walk as a local sponsor and join us at the Walk. Your participation will ensure that the enthusiasm and impact of Hemophilia of North Carolina will make *each step count* in an effort to improve the lives of thousands of families in our community, and millions across the country who will benefit from your support and the success of the Walk.

Sincerely,

Nicole Bailey  
Walk Event Manager

Hemophilia of North Carolina is a 501(c)3 non-profit organization. All donations are tax-deductible.
