## **2018 CSL Behring Gettin' in the Game Junior National Championship**

### *Invitation and Information*

We are very excited to have the opportunity to send two representatives from North Carolina to CSL Behring's 17th Annual *Gettin' in the Game* Junior National Championships (JNC). This special annual event will take place September 28-30, 2018, in Phoenix, Arizona.

CSL Behring will provide travel arrangements and cover travel costs, including airfare, hotel, scheduled meals, and transportation while in the host city for each competitor and one accompanying adult (*Please note* – family will be responsible for their transportation to and from their hometown airport).

During the program, educational sessions will be available for parents and caregivers, and nominees will have the opportunity to participate in a clinic where they learn the fundamentals of baseball, swimming or golf, learn about the importance of physical activity and show off their abilities in a national competition with fellow participants from around the country. (Note: all swimming participants must be able to swim 25 yards without assistance and tread water for at least 30 seconds.)

To be eligible, all applicants must:

- be between the ages of 7-18 as of September 28, 2018; and
- be a resident of North Carolina; and
- have a bleeding disorder; and
- be able to attend the national JNC event in Phoenix, Arizona on September 28-30, 2018.

Application forms may be submitted to HNC by mail, fax, or scanned and emailed, and must be received by **Friday June 29, 2018**. Additional application forms are available on the HNC web site – **[www.hemophilia-nc.org](http://www.hemophilia-nc.org)**.

Hemophilia of North Carolina will select **two participants** from applications received. Preference may be given to first-time applicants. Otherwise, participants will be selected on a first-come-first-served basis.

*As with any activity, CSL Behring and HNC encourage individuals to speak with their healthcare professional before engaging in any type of physical activity.*
