Dear Friend,

www.hemophilia-nc.org
info@hemophilia-nc.org

We are pleased to share with you information about the 2017 HNC Family Festival & 5K Walks! These annual events are by far the largest hosted by Hemophilia of North Carolina (HNC). Proceeds from this event go towards finding better treatments and cures for bleeding and clotting disorders, and to prevent the complications of these disorders through awareness, education, advocacy and research.

Arlette Whitaker, RN

In 2017 we are continuing to host two events in the state. Our third annual Charlotte area Festival & Walk took place on **Saturday, April 22, 2017 in Charlotte** while our tenth annual Festival & Walk in Morrisville will take place at **Lake Crabtree County Park on Saturday October 14, 2017.**

Hemophilia of North Carolina has been assisting the bleeding disorders community in the state for over 40 years. Our vision is for all persons affected by bleeding disorders to achieve their full potential without barriers or limitations. We offer many programs and services to the community and encourage you to visit our web site at **www.hemophilia-nc.org** to learn more about the organization and how your support helps the local community.

Planning has already begun to make the 2017 HNC Family Festival & 5K Walk events an even greater success for our community. Please partner with us and support them as a sponsor and join us at the Morrisville Festival on October 14. Your participation will ensure that the enthusiasm and impact of Hemophilia of North Carolina will make **each step count** in an effort to improve the lives of thousands of families in our local community who will benefit from your support and the success of the Walks.

Sincerely,

Charlene Cowell
