

## **How to Register for the 2015 Hemophilia Walks**

Go to [www.hemophilia.org/walk](http://www.hemophilia.org/walk)

Look for the box that says "NC" – this will take you to the local chapter's Walk Registration page.

Click on "Register" at the top left side of the page. If you participated in the 2014 Walk and remember your username (and password), you can use it again for the October Walk in Morrisville; just enter your login information. If you want to participate in the June Walk in Concord, or if you don't remember your username or password, you will have to create a new (and different) username; click the link below the Login box to request the information.

Agree to the Waiver. Click "Submit."

Choose your participant type. Are you an individual, are you the Team Captain and creating a team, or are you Joining an Existing Team and becoming a Team Member?

**To Start a Team:** Select 'sign up'. Select your Team Category. Is your team comprised of family members, a school, a business, or other organization? Enter your Team Name, Team Description, and your Team's Fundraising Goal.

**To Join an Existing Team:** Select 'join an existing team', enter the Team Name or Captain First/Last Name or just hit Search for a full list then select the team you'd like to join. Be sure you select a team associated with the Walk (June or October) you want to join.
